§ 1150.156

the Dairy Division shall afford the applicant or the holder of an existing certification an opportunity to achieve compliance with the requirements for certification within a reasonable time, as determined by the Director.

(2) Any State or regional dairy product promotion, research or nutrition education program whose application for certification of qualification is to be denied, or whose certification of qualification is to be suspended or terminated shall be given written notice of such pending action and shall be afforded an opportunity to petition the Secretary for a review of the action. The petition shall be in writing and shall state the facts relevant to the matter for which the review is sought, and whether petitioner desires an informal hearing. If an informal hearing is not requested, the Director of the Dairy Division shall issue a final decision setting forth the action to be taken and the basis for such action. If petitioner requests a hearing, the Director of the Dairy Division, or a person designated by the Director, shall hold an informal hearing in the following manner:

(i) Notice of a hearing shall be given in writing and shall be mailed to the last known address of the petitioner or of the State or regional program, or to an officer thereof, at least 20 days before the date set for the hearing. Such notice shall contain the time and place of the hearing and may contain a statement of the reason for calling the hearing and the nature of the questions upon which evidence is desired or upon which argument may be presented. The hearing place shall be as convenient to the State or regional program as can reasonably be arranged.

(ii) Hearings are not to be public and are to be attended only by representatives of the petitioner or the State or regional program and of the U.S. Government, and such other parties as either the State or regional program or the U.S. Government desires to have appear for purposes of submitting information or as counsel.

(iii) The Director of the Dairy Division, or a person designated by the Director, shall be the presiding officer at the hearing. The hearing shall be conducted in such manner as will be most

conducive to the proper disposition of the matter. Written statements or briefs may be filed by the petitioner or the State or regional program, or other participating parties, within the time specified by the presiding officer.

(iv) The presiding officer shall prepare preliminary findings setting forth a recommendation as to what action should be taken and the basis for such action. A copy of such findings shall be served upon the petitioner or the State or regional program by mail or in person. Written exceptions to the findings may be filed within 10 days after service thereof.

(v) After due consideration of all the facts and the exceptions, if any, the Director of the Dairy Division shall issue a final decision setting forth the action to be taken and the basis for such action.

§ 1150.154 Influencing governmental action.

No funds collected by the Board under this subpart shall in any manner be used for the purpose of influencing governmental policy or action, except to recommend to the Secretary amendments to this subpart.

§ 1150.155 Adjustment of accounts.

Whenever the Board or the Department determines through an audit of a person's reports, records, books or accounts or through some other means that additional money is due the Board or that money is due such person from the Board, such person shall be notified of the amount due. The person shall then remit any amount due the Board by the next date for remitting assessments as provided in § 1150.152. Overpayments shall be credited to the account of the person remitting the overpayment and shall be applied against amounts due in succeeding months.

§ 1150.156 Charges and penalties.

(a) *Late-payment charge.* Any unpaid assessments to the Board pursuant to § 1150.152 shall be increased 1.5 percent each month beginning with the day following the date such assessments were due. Any remaining amount due, which

shall include any unpaid charges previously made pursuant to this section, shall be increased at the same rate on the corresponding day of each month thereafter until paid. For the purpose of this section, any assessment that was determined at a date later than prescribed by this subpart because of a person's failure to submit a report to the Board when due shall be considered to have been payable by the date it would have been due if the report had been filed when due. The timeliness of a payment to the Board shall be based on the applicable postmark date or the date actually received by the Board, whichever is earlier.

(b) *Penalties.* Any person who willfully violates any provision of this subpart shall be assessed a civil penalty by the Secretary of not more than the amount specified in § 3.91(b)(1)(xx) of this title for each such violation and, in the case of a willful failure to pay, collect, or remit the assessment as required by this subpart, in addition to the amount due, a penalty equal to the amount of the assessment on the quantity of milk as to which the failure applies. The amount of any such penalty shall accrue to the United States and may be recovered in a civil suit brought by the United States. The remedies provided in this section shall be in addition to, and not exclusive of, other remedies that may be available by law or in equity.
